Presents

Preventing Distracted Driving & Paying Attention & Staying Alive

Distracted Driving is a Big Problem!

New federal research states that **80 percent** of all crashes involve distracted driving. That's almost **5 million** crashes per year in the U.S., and over **184 billion dollars** in damage.

Employees of state agencies and the university system operate 9,200 vehicles in this environment.

Distracted Driving is Risky Business!

Distractions Include;

- Electronic equipment.
- Passengers.
- Children & pets.
- Vehicle controls.
- Eating, reading & grooming.
- Things outside your car.
- Driving drowsy.

The Course;

- Focuses on the distractions drivers face.
- Offers tools to reduce distractions.
- Provides tips on avoiding crashes in spite of distractions.
- Qualifies your agency for an Auto Insurance Premium Discount if 5% of employees attend.
- Is free for state and university employees.

Pre-register at;

http://rmt.d.oa.state.mt.us/pls/rmtd/RMTD_CTIS_TRAINING.training_list

Roster space is limited, and seats are assigned on a first-come, first-served basis.

Notice of cancellation must be received within 2 days of the training or your agency may be assessed a service charge.

The Risk Management & Tort Defense Division makes reasonable accommodations for persons who wish to participate in any of our sponsored activities. Please contact us at:
